What do you want to do after high school?

What pay rate (at a job) would you like to earn someday?
- $8 per hour
- $16.00 per hour
- $32.00 per hour

Name one thing you are good at:

Circle your LEGO level:
- 4 - NXT/EV3 experience
- 3 - Technics experience
- 2 - Classic brick experience
- 1 - What’s a LEGO?

Do you have:
- A computer at home? Yes  No
- Internet at home? Yes  No
- A printer at home? Yes  No

What’s one thing you wish we already knew about you?

My Personal Robot

Real and fictional robots come in all shapes and sizes. If you could build and program your own personal robot, what would it look like and what would it do?

Draw and label a diagram of your personal robot.

Write a description of what your robot can do.
