

TIMBERLINE HIGH SCHOOL

Lacey, Washington

Celebrating 50 Years - 1970-2020

SEPTEMBER-DECEMBER

- Decide post-high school pathway: (College, Apprenticeship, Military, Work Force)
- Talk with your counselor about the year ahead. Confirm that your courses will put you on the right track for your pathway.
- Ask about test dates for the PSAT, ACT, and SAT. You'll need to register up to six weeks ahead of time. <http://www.collegeboard.org> (SAT) <http://actstudent.org> (ACT) Right now local testing centers are going month to month, you can still register for the test, they may cancel due to Covid.
- Start developing a résumé—a record of your accomplishments, activities, and work experience. This will be an important part of your college application.
- If you haven't participated in many activities outside of class, now is the time to sign up. Consider clubs at school, team sports, leadership roles, or involvement in a religious or civic community group.
- Take the PSAT. Taking the test as a junior will qualify you for some scholarship consideration and identify you to colleges as a potential applicant. As of now the PSAT will be in January. We will update you if that date is adjusted.
- If you are taking an AP class, [register and pay for your exams](#).

JANUARY-FEBRUARY

- Work with your counselor to set your senior schedule. Enroll in the most challenging courses.
- Register for a spring SAT and/or ACT.
- Explore summer opportunities on college campuses—a great way to find out what college life is all about.

MARCH-MAY

- Start researching colleges and universities. Go to college fairs and open houses. Learn as much as you can about colleges online.
- Begin planning college visits. Try to visit colleges near you over spring break. Include a large, medium size, and small campus.
- Develop a preliminary list of colleges that interest you. Go online to request additional information.
- Review a few college applications. Make note of all the pieces of information you will need to compile. Make a list of teachers, counselors, employers, and other adults who could write letters of recommendation.

- Consider lining up a summer job or internship.

JUNE-AUGUST

- Continue investigating colleges.
- Schedule campus visits at the schools that interest you.
- Begin thinking about your applications. Generally, colleges will have their applications online by the beginning of August.
- Start brainstorming your college essay.
