

THS Sophomore Year Checklist

Fall (August-November)

- Decide post-high school pathway:
 - College, Apprenticeship, Military, Work Force
 - Research [options](#) via online websites and Career planner
- [Pay for AP exams](#) if you are planning to take them.
- Attend local and national virtual college fairs
- Get involved with a club or activity

Winter (December-February)

- Review your Honors and Advanced Placement options; plan for courses that challenge you.
- Maintain good study habits and finish the semester strong.

Spring (March-June)

- Meet with your [school counselor](#) to discuss next year's class schedule and post-secondary goals. Make sure your course schedule is aligned to your 4 year plan. Share your plans with your counselor. The more they know about you, the more they can help you along the way.
- If you are planning a CTE Graduation Pathway, make sure your course schedule includes the appropriate CTE courses.
- Take the AP Exams if you are enrolled in an AP course (May)
- Plan for ways to volunteer and do community service in the summer (if allowed).
