

Running Start

2021 Information Sessions

Running Start allows eligible high school **juniors** and **seniors** to take courses at the community college to earn dual credit at both the college and high school. Our video information session and live Zoom Q&A allows you to learn more about the program from the safety of your home.

1

Watch the Running Start Information Session video online

The information session video provides the opportunity to learn about the onboarding steps, eligibility, and quarterly requirements.

2

Attend an Information Session Q&A

The Q&A sessions are where you can ask any questions you have live via Zoom. Parents, guardians, and supporters welcome! No pre-registration required.
