

Canvas Parent Access

Parents can view student classes as an Observer via our Canvas sign-in page and mobile apps available from both the Apple App store and Google Play.

To create a parent account:

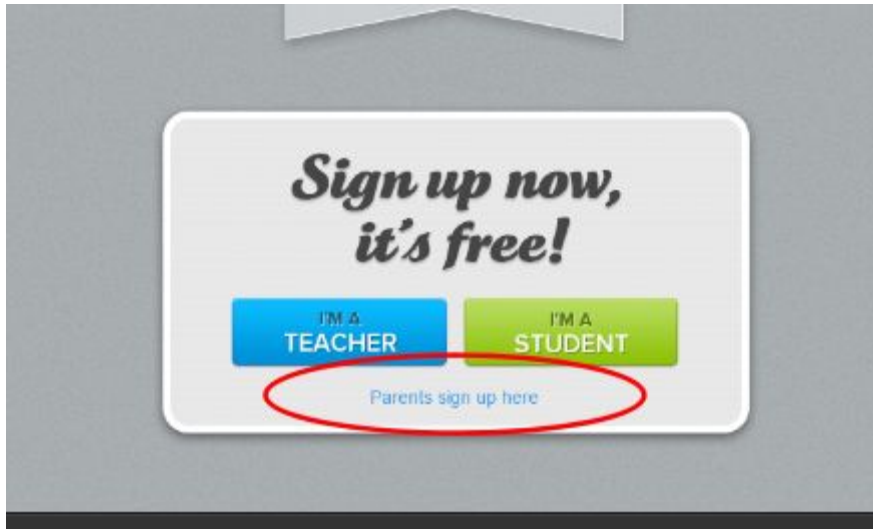

1. Go to the NTPS Canvas sign-in page: nthurston.instructure.com

Need a Canvas Account?
Click Here, It's Free!

2. Click on

3. Click on **Parent sign up here**

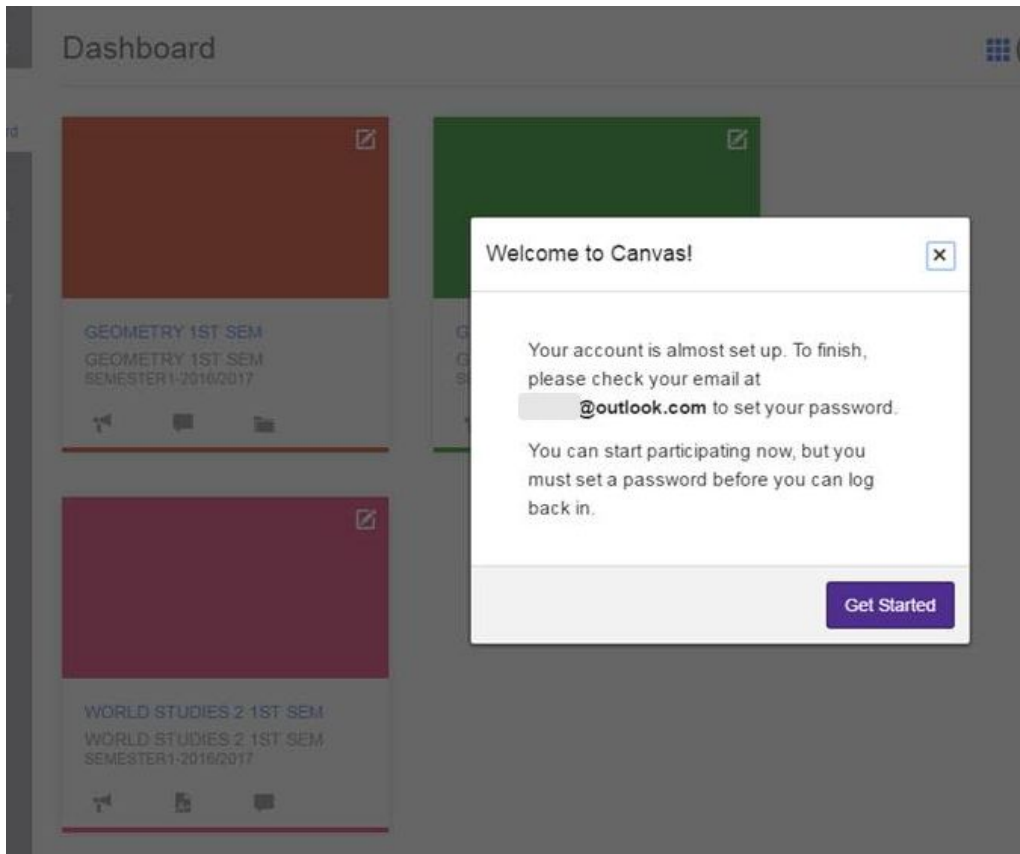

4. Complete the Parent Signup form. Your student must provide NTPS userID and password in order to connect to Canvas Parent View.

A "Parent Signup" form window with a close button (X) in the top right corner. The form contains the following fields:

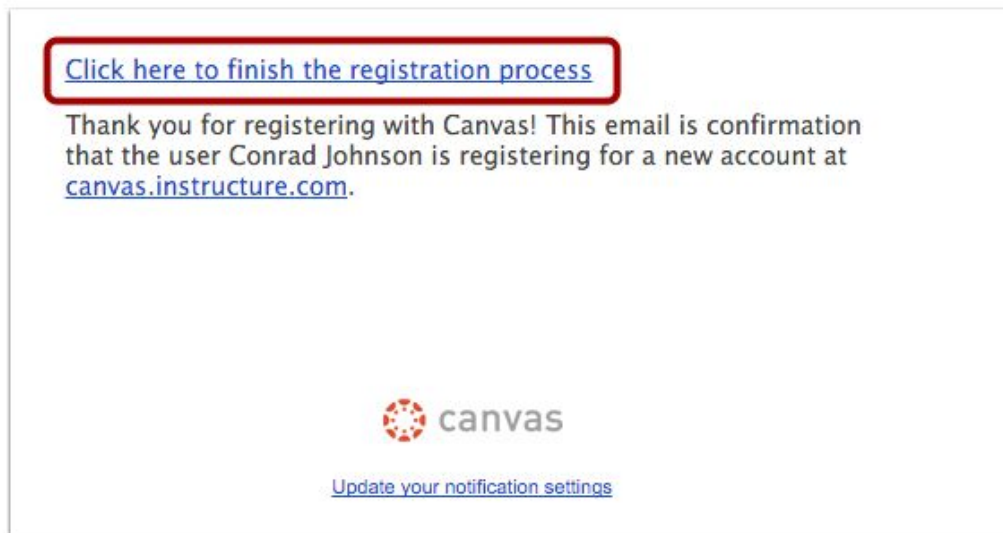

- Your Name: A text input field with a small user icon on the right.
- Your Email: A text input field.
- Child's Username: A text input field.
- Child's Password: A text input field with a small eye icon on the right.

Below the fields is a checkbox with the text: "You agree to the [terms of use](#) and acknowledge the [privacy policy](#)." At the bottom right of the form is a green button labeled "Start Participating".

5. Canvas will open with a message to check email to finish registration and set an account password.

6. Complete Registration. Open the email from NTPS Canvas LMS. Click the link shown:

7. Register.

The screenshot shows a registration form titled "Welcome Aboard!". Below the title is the instruction: "In order to set up your account, we'll need a little more information." The form contains three input fields: "Login:" with the email "c.johnson.canvas@gmail.com" (callout 1), "Password:" with masked characters "*****" (callout 2), and "Time Zone:" with a dropdown menu set to "Mountain Time (US & Canada)" (callout 3). Below these fields is a checked checkbox with the text "I want to receive information, news and tips from Instructure". A link "View Privacy Policy" with an external icon is located below the checkbox. At the bottom of the form is a blue "Register" button (callout 4).

1. Verify email address in the login field
2. Set a password
3. Select timezone
4. Click the Register button.

8. To learn how to add additional students, [click here](#)
