## SCHOOL SAFETY AND TIPS FOR CREATING A SAFE SCHOOL

The safety of students and staff at NTHS is extremely important for everyone. In order to keep NTHS the safe campus it is, all threats made against people and property will be taken seriously. Any person who harasses or bullies, threatens to harm another person, or threatens to damage the campus may be removed from school until administrators determine that the danger to students and staff no longer exists. Students who make threats against other students or staff are subject to emergency expulsion from school and prosecution.

Everyone at NTHS is responsible for working to create a safe school for everyone else. No one should feel afraid at school. Everyone has the right to receive an education in a school that is free of violence, harassment, and bullying. Safety is everybody's business. Here are some tips for students to help make NTHS a safe and caring school:

- Students are not allowed to bring weapons to school. They are not allowed to make threats to harm other people, students or adults. They are not allowed to fight or assault others. They are not allowed to bully or harass other people. If you are aware of any of these behaviors, report them.
- If you see, hear, or experience something that worries you, tell a responsible adult. Tell a teacher, administrator, or counselor. Tell your parents, a coach, a pastor, a youth leader, a neighbor, the police or Student Crimestoppers (360-407-0222). Just be sure to tell an adult.
- Let the adults talk to the students involved. School officials will investigate and take appropriate action. To keep everyone safe and ensure a complete and fair investigation, it is not uncommon for a student of concern to be placed on emergency expulsion.
- Reporting others when it is an issue of safety is not tattling or snitching; it is keeping everyone safe.
- Reporting a friend is very difficult. But it is something real friends do, because reporting could save that friend from even greater trouble or danger. Talking to an adult about your concerns regarding a friend is a caring, helping gesture.

If you have questions or concerns, see your counselor, an administrator, or talk to a teacher. We all share the responsibility to keep NTHS a safe and great school.

## ATTENDANCE

Daily attendance at school is necessary to ensure student learning and achievement. Each unexcused absence will be followed by a letter or phone call to parent/guardian informing them of the consequences of additional unexcused absences. Students who are not regularly attending class will be subject to a Community Engagement Board meeting in an effort to eliminate or reduce the student's absences.

## TARDY POLICY

A tardy is when a student arrives to class after the late bell has rung and instruction has begun. Students are required to adhere to each teacher's tardy policy. Excessive tardies will result in disciplinary action which could include parent contact and/or a lunch detention. When a student arrives more than 10 minutes late to class, it is then may be considered an unexcused absence.

## ACADEMIC INTEGRITY

The learning community for North Thurston High School believes that the basis of all learning starts with a firm conviction in the value of integrity. Dishonest behavior, which includes academic dishonesty, is a detriment to all educational goals and is not acceptable.

## DEFINITIONS FOR CHEATING AND PLAGIARISM

Cheating is defined as using dishonest methods, such as unauthorized copying of other peoples work, to gain an advantage for you or others by doing so.

Plagiarism is the act of appropriating the ideas, language or work of another, and passing them off as one's own product. It includes a range of actions from failure to use proper citation to wholesale cheating. A student who plagiarizes may do so unintentionally or with malicious deliberation, but it is plagiarism nevertheless.

## **CHEATING AND PLAGIARISM**

The consequences for cheating or plagiarizing someone else's words, works and/or ideas will range from receiving no credit for the assignment to receiving disciplinary sanctions.

## **SCHOOL RELATED ACTIVITIES**

All school rules, expectations and consequences remain in existence at school sponsored or school related activities. Students are expected to abide by the school rules, or the rules of another school when activities occur off campus. Students who choose to behave improperly can be required to leave the activity, and can be suspended from future activities. Students who are on suspension or expulsion from school are not allowed to attend school sponsored or related activities.

## **STUDENT ID CARDS**

All students at North Thurston High School are issued a student identification (ID) card. This card has your picture, name, student number and a place for an ASB endorsement. Your ID card will also display your ability to use school computers, attend school dances, attend school activities, etc. You must carry this ID card with you at all times while at school. Student ID cards are issued during registration and LINK days prior to school. There will be an opportunity to obtain a student identification card after school begins.

## **HALL PASSES**

Students are required to have a Valid Hall Pass when going from one location to another during class time. Students without a valid pass will be escorted back to their class. Subsequent violations may result in disciplinary sanctions and the student may be prohibited from leaving class.

## **LEAVING SCHOOL GROUNDS**

North Thurston High School maintains an open campus for both lunch periods. Our campus is closed at all times except during lunch. Additionally the privilege of leaving campus may be revoked by the school for disciplinary infractions.

## **VISITORS**

We **DO NOT** allow students from other schools or non-students to visit NTHS. Please refer any questions or concerns to administration or school security. We also do not allow small children or non service pets to accompany NTHS students to school.

## **MACE, PEPPER SPRAY**

The use of mace canisters --or propellant devices of similar materials--is forbidden on school grounds. In keeping with existing district policy offenders could be subject to long-term suspension and/or expulsion.

## **PHONES/ELECTRONIC DEVICES**

North Thurston High School and NTPS is not responsible for theft or vandalism of cell phones or other electronic devices brought to school. Students may not use phones or any electronic device during class time without permission. When phones and electronic devices are used inappropriately, students are subject to disciplinary sanctions, including confiscation of the phone and/or device.

## **SKATEBOARDS, LONG BOARDS, ROLLER BLADES AND BICYCLES**

Skateboard, longboard and roller blade use is not allowed on campus. Students who use this form of transportation to school must ride on designated roads, sidewalks, or paths and walk them through pedestrian areas. Students who ride in an unsafe manner may lose their privileges to bring these items to school. The school is not responsible for theft or vandalism of personal items brought to school. Skateboards need to be stored in your locker, trusted person's classroom or office during the school day.

## PLAYING AND LISTENING TO MUSIC

Students who choose to listen to music on campus should listen with a device (ear buds, headphones, etc.) that will limit the music to only the listener with the device, except as part of a club or class activity and under direct supervision of a teacher or advisor. Please refer to your respective teachers for classroom guidelines and acceptable use within their classrooms.

## DRESS CODE

In order to facilitate learning for all students, NTPS requires that students dress and appearance follow health and safety standards and not cause disruption to the learning process. Students who do not follow these guidelines will be asked to change their clothing, cover up, or go home if necessary. (Refer to the Students Rights and Responsibilities Handbook for additional information)

## LOST AND FOUND

Students who find lost or unclaimed items should take these items to the main office immediately so the rightful owner can be found. Students seeking lost items should inquire at the main office. Students are responsible for the safety and security of their possessions and should never leave items unattended. Likewise if you find an item please take that item to a school staff member nearest you or the main office immediately.

## LOCKERS

School Lockers: Students may obtain school lockers through the library. Problems with your lockers should be reported to the LRC or custodian. Students are cautioned not to bring money or valuables to school. The school is not responsible for theft or vandalism of personal items brought to school. Your school locker is the property of North Thurston Public Schools and is subject to search and seizure under the law.

PE Lockers: All students with P.E. lockers need to bring a padlock from home to secure their locker. The padlock should be a high quality padlock or combination lock. Students are responsible for locking and securing all personal belongings before reporting for class. Students are cautioned not to bring money or valuables to school. Do not leave items of value in your P.E. locker. The school is not responsible for theft or vandalism of personal items brought to school. Your PE locker is the property of North Thurston Public Schools and is subject to search and seizure under the law.

If we **ALL** follow these guidelines, we will create and maintain a productive, safe environment in which all students feel welcome and have a clear understanding of their role in the educational process here at
