

BACK TO SCHOOL

We have done your school supply shopping for you! To begin the 23-24 school year, you will have the opportunity to purchase the necessary school supplies at your school. We have done our best to bring you the brands the teachers prefer at a great low price in a reusable string bag. This option is highly recommended and a great cost savings. Parents are still encouraged to buy a child's backpack.

Purchase online in the payment portal starting August 1st. Your school will communicate pickup information. <https://payments.nthurston.k12.wa.us>
