Activity logs for the summer reading program can be found in English [here](#) and Spanish [here](#).

Every month in June, July, and August, Timberland Regional Library is providing access to one ebook title each for preK, elementary, teens, adult fiction and adult nonfiction that will be available without needing to place holds -- we're calling them our Anywhere Book Club books! Every TRL cardholder can access these titles simultaneously. All patrons will be able to read the same ebooks at the same time! We will send a link when the books go live on the [Overdrive site](#), but here is a preview:

The Anywhere Book Club books title for June is:

- **3rd-5th grade:** [Dara Palmer's Major Drama](#) by Emma Shevah
-

TRL is also hosting many virtual events this summer. You can access their virtual events calendar at trl.org or [click here](#).

VirtualCon: A Con for Teens at Home

Since we can't be together in the library, we decided to move all our in-person county cons to one online SUPER CON to rule them all! This also means that our first ever VirtualCon can go all summer long, from June 19-August 31. Teens entering 6th-12th grade can participate in various contests for cosplay, art, and face mask decorating! There will also be weekly trivia and challenges, virtual escape rooms, and of course, prizes! To get started, email trlteenscon@gmail.com.

Teen Newsletter

Going into-6th through 12th graders can sign up to get texted or emailed a periodic newsletter highlighting what TRL has coming up for teens. Text @trlteen to 81010 or email a blank email to trlteen@mail.remind.com
