Dear Parent or Guardian,

As the school year gets underway, I would like to take this opportunity to lend my assistance as the Joint Base Lewis McChord Garrison Commander to the many local school districts both on and off the installation. Their job is crucial as they educate thousands of our students every year.

Our school districts will be mailing home a *Federal Impact Aid Survey Form*. If you are a military member serving in Washington State, your participation is critical. Please complete the survey and return it to your child's school district. If you are a DoD civilian working on Joint Base Lewis McChord, you are highly encouraged to submit the form to your child's school district as a federal employee.

The money associated with this program comes from the Department of Education and can only be applied to a district that is educating a military or federal employee-related student. These forms are kept confidential and destroyed after validation has been accomplished through a federal audit of the district.

The survey will come to your home on or around 1 October 2021 and must be filled out for each child attending school. Please sign and return the form(s) to the school district as soon as possible.

Ensuring you provide the information requested helps the districts prepare for the next generation of military children connected entering their schools.

If you have any questions regarding the survey, please don't hesitate to contact the Joint Base Lewis McChord School Support Services at 253-967-7195.

Sincerely,
