

**NORTH THURSTON PUBLIC SCHOOLS**

**PARENT PERMISSION FOR STUDENT TO RIDE WITH ANOTHER STUDENT**

TO: Parent/Guardian School\_\_\_\_\_

FROM: Risk Management

From time to time high school students engage in activities for which North Thurston Public Schools transportation is not available. North Thurston Public Schools' first choice in that case would be to have parent volunteers drive, but there are times when that is neither possible nor feasible and students drive to the activity. When this occurs, North Thurston Public Schools requests the following:

- Copies of proof of auto insurance and the student's driver license must be attached to this form.
- A permission form must be signed by parents of both the student driver and student passenger(s) indicating permission and approval.
