The District will provide equal access to school facilities to the Boy Scouts and all other designated youth groups listed in Title 36 of the United States Code as a patriotic society. District programs will be free from sexual harassment. Auxiliary aids and services will be provided upon request to individuals with disabilities.

Conduct against any student that is based on one of the categories listed above that is sufficiently severe, persistent or pervasive as to limit or deny the student's ability to participate in or benefit from the District's course offerings; educational programming or any activity will not be tolerated. When a District employee knows, or reasonably should know, that such discriminatory harassment is occurring or has occurred, the District will take prompt and effective steps reasonably calculated to end the harassment, prevent its recurrence and remedy its effects.

The District's nondiscrimination statement will be included in all written announcements, notices, recruitment materials, employment applications, and other publications made available to all students, parents, or employees. The statement will include: 1) notice that the District will not discriminate in any programs or activities on the basis of any of the above-listed categories; 2) the name and contact information of the District's compliance officer designated to ensure compliance with this policy; and 3) the names and contact information of the District's Section 504 and Title IX compliance officers.

The District will annually publish notice reasonably calculated to inform students, students' parents/guardians (in a language that they can understand, which may require language assistance), and employees of the District's discrimination complaint procedure.

The Superintendent will designate a staff member to serve as the compliance officer for this policy. The compliance officer will be responsible for investigating discrimination complaints communicated to the District pursuant to this policy unless the District determines the specific nature of the complaint is subject to another, more appropriate investigative or resolution process in an existing District policy or procedure.

The District will provide training to administrators and certificated and classroom personnel regarding their responsibilities under this policy and to raise

awareness of and eliminate bias and discrimination based on the protected classes identified in this policy.
