

**Academic Acceleration Incentive Program for High Schools**

For one-time, competitive state grant purposes, the following students are considered to have earned dual high school and college credit in a course offered by a district high school:

- Students who achieve a score of three or higher on an Advanced Placement (AP) examination;
- Students who successfully complete a course through the college in the high school program under RCW 28A.600.290 and are awarded credit by the partnering institution of higher education; and
- Students who satisfy the dual enrollment and class performance requirements to earn college credit through a tech prep course.

Online courses for students to earn dual high school and college credit at no cost to the student are considered to be offered by the high school.

**Reporting requirement**

The district will annually report the following information regarding dual credit programs to the Office of the Superintendent of Public Instruction:

- Student who achieve a score of three or higher on an Advanced Placement (AP) Examination;
- Students who successfully complete a course through the college in the high school program under RCW 28A.600.290 and are awarded credit by the partnering institution of higher education;
- Students who satisfy the dual enrollment and class performance requirements to earn college credit through a tech prep course; and
- Students who successfully complete a course through the Running Start program under RCW 28A.600.300 and are awarded credit by the institution of higher education.
