POLICY – TRANSGENDER STUDENTS **3211**

The Board believes in fostering an educational environment that is safe and free of discrimination for all students, regardless of sex, sexual orientation, gender identity or gender expression. To that end, the Board recognizes the importance of an inclusive approach toward transgender students in order to provide these students with an equal opportunity for learning and achievement. The Superintendent will develop procedures to implement this policy and to facilitate district compliance with local, state and federal laws concerning discrimination, harassment, intimidation, and bullying.
