Safety Protocols

- The Wellness Screening **MUST** be done prior to 7:45 AM each in-school day.
- Face masks **MUST** be worn **ALL DAY** while at school. They can be removed to eat.
- Send several masks in a labeled baggy in case a new one is needed in the day.
- Desks will be 6 feet apart. We will do our very best to maintain this throughout the day.
- Hand washing will take place at arrival, after recesses, after bathroom use, before and after lunch, and prior to dismissal.
- There will be no "shared" supplies. All supplies are kept in individual student spaces.
- We are not having students bring supplies back and forth from school to home. We have pencil boxes for your child's supplies for their classroom days. Please leave your child's Chromebook at home as they will need it on their asynchronous home instructional days.

Lunch/Drinks/Snack

- Lunch will be eaten in the classroom, at your child's desk. They may bring a lunch from home or receive a school lunch. School lunch includes milk.
- Send a healthy snack if you want your child to have one during our optional snack time.
- Send a water bottle each day with your child. We will not be using the drinking fountain, but they may refill their water bottle at the tap. Please no juice in water bottles due to sticky spills.
- Breakfast will not be served at school, instead it will be passed out at the end of the school day for the following morning.
