

NTPS Staff

Highly Capable Program

Teacher referrals now being accepted for 2-4!

Grades K-2 Program

Testing in current grades K-1
Services for current school year

Identified highly capable students in grades K-2 will have access to accelerated learning through differentiation in their neighborhood school.

Grades 6-8 MS Program

Testing in current grades 5-7
Services for next school year

Identified highly capable students in grades 6-8 may be served through a math/science pathway, an ELA/social studies pathway, and/or through differentiation in their neighborhood school.

Grades 3-5 TAG Program

Testing in current grades 2-4
Services for next school year

Identified highly capable students in grades 3-5 may be served in the self-contained TAG program at Lakes Elementary or at their neighborhood school through differentiation.

Grades 9-12 Program

Identified highly capable students in grades 9-12 have a variety of options available to them including Advanced Placement classes.
