Who was Heinrich

Born: Oct. 7, 1900 - May 23, 1945

Heinrich was a German Nazi police administrator. He joined the Nazi party in 1925. Himmler became the head of Adolf Hitler’s SS. After 1941, he was the organizer of the death camps in eastern Europe.
Why was Heinrich Himmler important?

- Heinrich Himmler was important because during WW11 he replaced Herman Goering as Hitler's second in command. He had command of all German police forces in 1936. This made him one of the most powerful people in Germany.
What did Heinrich Himmler do during WWII?

- Heinrich Himmler just mainly was the leader of the Nazi SS during world war 2. He at that time he tried to pursue a witch hunt for conspirators after the attempt on Hitler's life.
The Death Camps

Approximately 6 million Jews were murdered in the Holocaust. More than half of the Jews were killed in the crematorium system of the Nazi death camps between 1942-1945.
