

February 28, 2021

Good Afternoon Aspire Families,

Hybrid: As we approach hybrid, please ensure that you have checked in Skyward to see if your student is in A or B group, and that if transportation is needed for your child, you have registered to [ride the bus](#). Once hybrid starts, students will be required to complete a [Wellness Check](#) in Skyward everyday they will be on campus by 8:00am. Please take a moment to familiarize yourself with where this is located in Skyward. If you have questions, please contact our main office at 360-412-4730. We do not have a date to begin hybrid at the middle level yet, however, once a confirmed date for hybrid to begin has been set, there will be three informational zoom meetings hosted in the evenings by grade level.

PTO News: PTO elections are around the corner. If you would like to run for a position please email the PTO@aspirepto@gmail.com Elections will be held in April. Like us on Facebook: Aspire Middle School PTO.

Yearbook Photos: Send in candid pictures of your student while remote learning or engaged in a learning activity. Please send in any candid remote learning Pictures to: ccrawford@nthurston.k12.wa.us
