

Mrs. Whisnant's Summer Math Homework – 6th Grade Math

June 2019

Dear Incoming 6th Grade Aspire Middle School Student and Families,

“WHAT! You want me to do MATH - in the SUMMER?!” Yes. Research has found that on average, students lose approximately 2.6 months of grade level equivalency in math skills over the summer months. This is almost one-third of a typical school year!

To complete your summer math homework, follow these steps:

↓ Already have a Prodigy Account? ↓

Class code:
FFFD0F

1. Go to www.prodigygame.com/play
2. Click **New Student**
3. Enter the **Class Code** then follow the instructions

Parents can create a free account to view their child's math progress:

1. Go to www.prodigygame.com/NewParent
2. Enter your account details to create an account
3. Add your child with their username and password

↓ Don't yet have a Prodigy Account? ↓

Class code:
FFFD0F

1. Go to www.prodigygame.com/play
2. Login to your Prodigy account
3. Click **Update** and enter the **Class Code**

Parents can create a free account to view their child's math progress:

1. Go to www.prodigygame.com/NewParent
2. Enter your account details to create an account
3. Add your child with their username and password

These skills were selected to review topics that were taught in 5th grade and are important for success in the 6th grade (and beyond). For optimal results, it is highly recommended that you complete a portion of assigned topics **each** week. This will ensure that skills are being reinforced weekly and that students do not become overwhelmed.

The work will count for your first homework grade in math class. It is due by Friday, September 6th. ALL Aspire students entering grades 6-8 are expected to complete summer math work.

If you have any questions, please contact me at awhisnant@nthurston.k12.wa.us.

Enjoy the summer and I'm looking forward to seeing you on the first day of school, which is Wednesday, September 4th.

Sincerely,

Mrs. Ali Whisnant
6th and 8th Grade Math Teacher
Aspire Middle School for the Performing Arts
