

Aspire Principal Advisory Council Application of Interest 2019-2020

Purpose:

The purpose of the Aspire Principal’s Advisory Council (A-PAC) is to have a consistent group of students that represents the Student Body of Aspire and reports the successes and struggles, along with the concerns and recommendations of their peers to the administration. The A-PAC helps the principal improve the quality of the education and the three-year experience of each and every Firebird. The discussions will also be linked to the staff development being conducted in the building.
