Mainstage Event: Design Your Future

Three short presentations from Saint Martin’s University:

- Zella Kahn-Jetter, Ph.D., P.E., Dean of Engineering, will talk about the “good stuff” engineers design that make the world a better place.

- Radana Dorak, PhD, Associate Dean of Extended Learning, will talk about computing and graphic design gaming.

- Christy Castanares, BSCE ’13 and Mieko Grant, BSCE ’13, will present their senior capstone design project.
