Parking permits may be acquired by NTHS students who will be driving to school on a daily basis during their assigned class schedule time. They will be given out on a first come, first served basis (a maximum of 200 permits will be issued for the school year) with priority being given to Seniors and Running Start students. All student drivers are required to acquire a parking permit before parking on campus. All new drivers are to acquire a permit within one week of driving. Once school begins, parking permits may be acquired before school and during lunch from the ASB/Athletic/Finance Office. There is no cost to receive a parking permit but is required to park on campus.

Students must show proof of the information above BEFORE a parking permit will be issued. Students must park in the student parking lot and in the outer perimeter of the staff parking lot. Special parking arrangements may be made on a case-by-case basis with administration written approval. In order to ensure a safe and orderly parking situation, students are expected to follow the rules listed below. Failure to do so will result in disciplinary action as outlined.

- 1. Attach registered permits in the front window.** If on any given day, you will be driving a vehicle other than the one that is registered, give your vehicle number to the Campus Security in the main office. Permanent permits are NOT transferable to another person.
- 2. Park only in the student parking lot stalls.** Do not park in staff parking lots, handicapped stalls, visitor stalls, crosswalks, or areas not designated for student parking. Vehicles parked in non designated stalls may be issued a parking violation by campus security and may be subject to towing at the owner's risk and expense. Illegally parked vehicles may also be subject to a citation by police.
- 3. Do not sit in cars or loiter in the parking lot during the day.** If you drive off campus for lunch, return to the main campus immediately after returning to school. Students may not access their vehicles during class time.
- 4. Obey all posted signs and directional marking in the parking lot and on roads adjacent to school property.** Students driving vehicles on campus or adjacent to the school property before, during, or after the school day or to school-sponsored activities in a reckless or endangering manner may be subject to either school sanctions and/or police citation.
- 5. Lock your motor vehicle when leaving it parked and unattended.** North Thurston High School or NTPS is **NOT** responsible for any damage, theft, vandalism, etc. that may occur.

Violation procedures for parking infractions have been established. Cars without permits and /or parked in unauthorized areas may be impounded at the expense of the owner/driver in accordance with the following steps:

1. Warning
2. Written notification and parent/guardian contact.
3. Referral to Administrator.
4. Boot, school discipline (including revocation of parking permit), and \$50.00 boot removal fee.
5. Vehicle towed at owner's risk and expense and loss of privileges to park on campus.

In the event of emergencies or a serious driving (moving) violation, discipline action may be enforced.
